

As we embark on a new journey, joining together with the councils in western New York,
The Board of Directors of Girl Scouts of Genesee Valley requests the pleasure of your company...

TO COMMEMORATE 88 YEARS OF EXPANDING OPPORTUNITIES FOR GIRLS IN THE GENESEE VALLEY

Enjoy an evening of dinner while we take a stroll down memory lane filled with laughter, friendship and nostalgia,
celebrating 88 years of service by the Girl Scouts of Genesee Valley for the girls of our community.

This remarkable evening will begin with a wine tasting reception followed by an elegant dinner. Guest chefs will prepare
a selection of hors d'oeuvres and desserts to delight the most discriminating diner. Afterwards, we invite you to partake
in a special program that chronicles the Girl Scouts of Genesee Valley since its early years.
